• **Communication.** Highly responsible for the deadlines and team arrangements. Strong oral and written communication skills.

• **Productivity.** Demanding to my own productivity, over the years, I developed skills necessary for focused work under tight deadlines. Time tracker, focused sessions, checklists, shortcuts are some of the tools I always use.

• **Self Education.** Constantly self-educating on weekdays from 5 a.m. to 7 a.m., reading articles and books. Documenting knowledge in Notion for future reference saves me time and helps digest new information.
